

## KVH Helps Local Kids Enjoy Summer Camp

It's hot, it's sunny, and school's out, which means that summer camp season is in full swing. To help make sure that local kids have the opportunity to enjoy time at camp, KVH's Charitable Giving Committee recently made a \$500 donation to the [Newport County YMCA](#), enough to pay for four children to each spend a week at the Y's day camp program.

"We have many children in our community who would not be able to attend summer camp without a scholarship. With KVH's donation, kids will have the opportunity to make new friends, have new experiences and meet new role models," said Mike Miller, the Y's associate executive director.

For the Charitable Giving Committee, it was an easy choice, explained Chris Watson, the Committee's chairman: "Many of us grew up spending time at the Y's in our neighborhoods enjoying summer camp, after-school activities, or just staying cool in the pool. Helping children in need have that experience this summer was a no-brainer for the Committee. We are thrilled to make this donation on behalf of KVH and hope that the kids have a fantastic time."
