

“\$500 in Airtime” Trade-in Promotion

**Attention Owners of
Iridium, Globalstar, AMSC/MSV, and Other Satellite Services!**

You wouldn't rely on a 10-year old computer to support your business and personal needs, so why are you relying on decade-old satellites to stay connected at sea?

Trade in your soon-to-be-obsolete equipment and upgrade to a KVH TracPhone® with Inmarsat FleetBroadband service and get \$500 in airtime!

KVH is giving you **\$500 in airtime** to help make it easy and affordable to upgrade to a rugged new KVH TracPhone system and Inmarsat FleetBroadband service. FleetBroadband utilizes Inmarsat's all-new I-4 satellites, which blanket the globe with data rates as high as 432 Kbps and offer Inmarsat's legendary reliability! **Check out the details:**

Who is eligible for this limited time offer?

This upgrade offer is open to all customers interested in upgrading their old Globalstar, Iridium, AMSC/MSV, or other regional or low earth orbit (LEO) satellite systems.

It's easy to take advantage of this opportunity!

1. Purchase or lease a new KVH TracPhone FB150, FB250, or FB500 antenna and activate your new “Inmarsat Airtime by KVH” service between September 1, 2009, and December 31, 2009.
2. Fill out the *\$500 in Airtime Trade-in Promotion Form* on the back of this flyer.
3. Submit the form along with your *Inmarsat Airtime by KVH Activation Form* and a copy of your TracPhone invoice, lease agreement, or purchase order.
4. Upon receiving your paperwork, KVH will apply a \$500 airtime credit to your new “Inmarsat Airtime by KVH” account.

**The limited time “\$500 in Airtime” Trade-in Promotion runs from
September 1 – December 31, 2009.**

**Don't delay, quantity of trade-ins are limited!
