## KVH Compass/Repeater Price List

### Azimuth® 1000 Digital Compass (for powerboats)

Self-contained digital electronic fluxgate compass with automatic compensation and NMEA 0183 output standard. Large backlit LCD display shows heading in digits as well as in cardinal points with unique "electronic compass rose". Push a button to change upper display from compass rose to graphic steering indicator and to adjust for 10 levels of damping. Electronic offset alignment for mounting at an angle for optimal visibility. Comes complete with display cover, 10' power/data cable, and required mounting hardware. Available in white or black.

**Black Housing** KVH Part # 01-0148

**White Housing** KVH Part # 01-0148-01

**Suggested Retail Price:**

**\$795**

### Sailcomp® 103AC Digital Compass/Nav Repeater (for sailboats)

System consists of large waterproof backlit LCD display, junction box, remote 5-button keypad and AutoComp 1000 Digital Fluxgate Heading Sensor with automatic compensation, 4 levels of damping, and NMEA 0183 input/output standard. Keypad controls for activating Steering Indicator, Head/Lift Racing Function, Racing Starting Timer, and Nav Mode functions. Nav Mode displays cross-track error, distance to waypoint, and bearing to waypoint when coupled with input from a GPS. Options include universal interface card, additional displays and keypad, mounting brackets, and extension cables (see Options/Accessories). Comes complete with display cover, required mounting hardware, 10' power cable, and 15' cables for display, keypad, NMEA 0183 input/output, and sensor.

KVH Part # 01-0115

**Suggested Retail Price:**

**\$1,395**

### AutoComp™ 1000 Digital Fluxgate Heading Sensor (for sailboats or powerboats)

Stand-alone heading sensor with continuous automatic compensation for heading input to autopilots, GPS, video charts, radars, computers, and other electronic instruments (will not plug directly into 103AC remote displays). NMEA 0183 output standard. Options include universal interface card for other outputs, mounting bracket, and extension cables (see Options/Accessories). When ordering, indicate "S" for Sail ( $\pm 45^\circ$  gimballed, free-floating coil version) or "P" for Power ( $\pm 25^\circ$  strapdown, free-floating coil version).

**AC1000S NMEA 10 Hz** KVH Part # 01-0117-0001

**AC1000P NMEA 10 Hz** KVH Part # 01-0118-0001

**Suggested Retail Price:**

**\$795**
